Mr. PHS
Donald Perkins

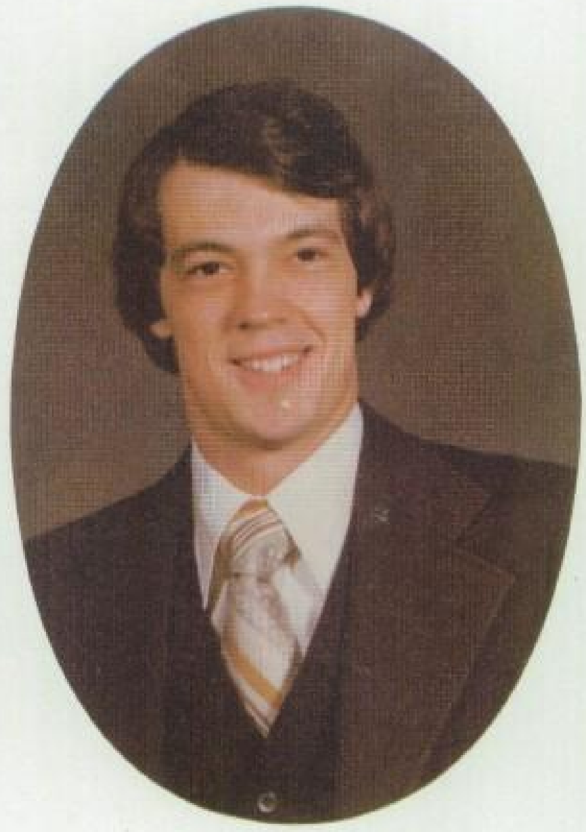

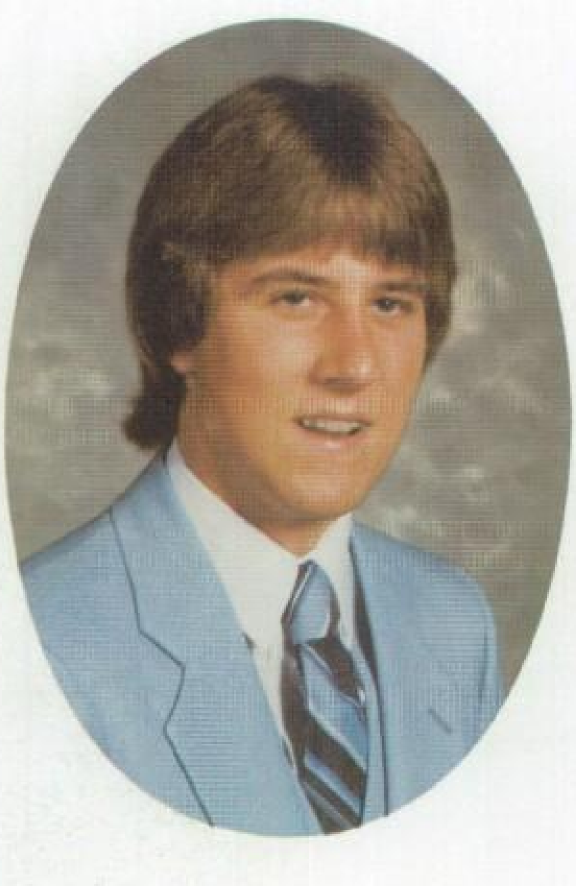

It has been my privilege to watch your growth into adulthood the past four years. I sincerely hope that you continue to grow and mature in the years to come. May life always find you ready to meet the tasks at hand and may you find happiness in all you undertake.

Being your sponsor has been a pleasure; I want to thank you for everything.

James Paul Oliver

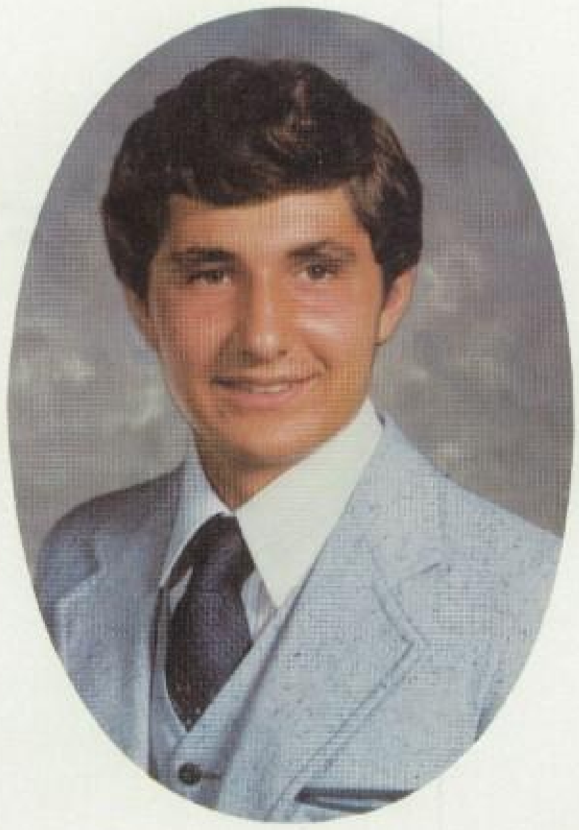

On behalf of the Senior Class of 1982, I wish to express my sincere gratitude to all those who have made the dream of graduation a reality. Understanding parents, dedicated faculty, as well as our fellow students have helped us to achieve this goal in our lives.
